**REPLACEMENT
PADS
*ALL MAKES OF
COOLERS***

Replacement pads any size

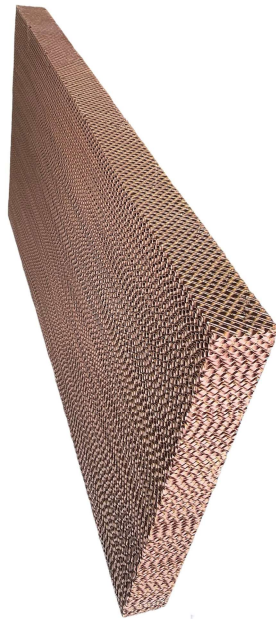

- Pads supplied in any size
- 75mm/90mm/100mm thickness
- Orientation of dimensions is important
- For quotes please submit:
Height mm x Width mm x Thickness mm

**Replacement pads any size
- with spreader -**

- Pads supplied in any size
- 75mm/90mm/100mm thickness
- Orientation of dimensions is important
- For quotes please submit total dimensions:
Height (incl. spreader)mm x Width mm x Thickness

NOTE: Spreader, in practice, do not actually improve water distribution. Pads without spreaders distribute water in the same way.
